

Imperial Suites

The resort, situated in Cabarete, is the ideal choice for a truly upscale vacation with premium facilities and luxurious amenities.

Cabarete, with its ever-present sea-breezes, golden beach and tropical climate, is a world-renowned paradise for windsurfing and kiteboarding. Nearby, along the marine coastline, scuba diving and snorkeling offer endless opportunities to explore the vibrant coral reefs.

You'll experience luxury and adventure like never before in one of the most beautiful beach locations in the Dominican Republic and, for that matter, in all of the Caribbean.

Cabarete is Lifestyle Holiday's new destination for luxury and exclusivity

Imperial Suites - Cabarete is a superb oceanfront All-In resort with three restaurants, two snack bars, a rooftop lounge and a lively beach bar. After a day of aquatic sports or island adventures, Mila's Sky-lounge is a members-only exclusive spot for sipping signature cocktails, whilst enjoying the beautiful sunset. Mila's offers a fusion menu that includes Asian-style Tapas, savory Thai and Chinese Cuisine, together with a mix of Mediterranean and Latin American favorites. The result is a cross-culture culinary mix. Mila's Skylounge offers the distinctive atmosphere of a private club that features great ambience, specialty cocktails and premium beverages.

Time for dinner? The Brick Oven serves entrees prepared in an open brick oven furnace. The freshest ingredients are combined with the rich flavors of Italian dishes, featuring pizza and focaccia. The W is our beachfront buffet restaurant with a rotating menu of international cuisine that includes Dominican, Italian and Mexican fare for breakfast, lunch and dinner. Striking décor, attentive service, a beach party atmosphere and a program full of fun activities complete the privileged lifestyle of Imperial Suites Cabarete!
